January 2016 - Volume 8, Issue 1

Happy New Year from the LCFC Committee!

Hi Everyone,

Happy New Year and here's to a fantastic 2016 for all Lane Cove FC players and supporters. The season is already off to a great start with over 160 development squad players having signed up for the season from LCFC, St Michaels and Chatswood Rangers. In addition for the first year LCFC is entered into the FFA Cup as promised. The first round will be in mid-March and as soon as the draw is out we will let you know. Hopefully we will get a nice home draw and get a big crowd down to Blackman for our first outing in this national competition.

As noted below registrations for 2016 are now open so the sooner you register the sooner we can start sorting teams out for the season. The office has prepared some helpful guides below to assist but if you are having trouble or need assistance just give Cindy a call! As usual we are always looking for support from within the Club so if you have any skills or experience you think we might be able to benefit from, please let the office know. In particular this year we could do with some help on the design and fit-out of the new storage area at Blackman Park so if you can help or know of anyone who can please let us know (see info below).

Trials for the Men's All Age Prems and Women's Div 1 (hopefully) teams start at Blackman on 21 January. If you know of anyone at this level who might be interested in trying out, please let them know.

Thanks and regards,
Francis Child – LCFC President

Looking for interior space planning and fit-out Storage Area at Blackman Park!

LCFC has now taken ownership of a storage area in the new Scout Hall at Blackman Park for our equipment. Currently this space is a blank canvas with some 40sq.m of space. We need to design a layout which will work for storing equipment and keeping other stocks (shirts, balls etc) secure. We then need to fit it out. Is there anyone out there who may have the necessary skills to assist with the layout design and fit-out? If so could you please contact the office on 02 9431 8648.
