1	limit team sizes where possible to 2 reserves and ensure strong rotation of players through the zones for all junior teams
2	Social events
3	Level of coaching
4	Cost, came from St Michaels & LCFC is very expensive in comparison. Skills development for teenagers.
5	Happy with my team

9	Improved/increased social media presence
10	Less focus on development squads

12	option to have paid coaches
13	My son is doing the nsfa holiday camp and if it's really friendly and fun. Previously he did the kickstart camp and didn't enjoy it. My son is very keen on soccer but I'm concerned that the development programs are with kickstart. The coaches allowed kids to stand on the side at breaks and didn't try and get them playing with each other. Some of the coaches were really nice obviously but there wasn't as happy or playful a feel to it.
14	The presentation day needs better organisation.
15	Get more children 's coaches and try to get the registration fee affordable
16	Better grading of lower grades (U6-10). A simple dribble, swerve, shoot challenge would be better than the game / dogs breakfast that I attended at the beginning of the 2016 season.
17	Prefer to have pottery green as practice venue
18	Better cohesion between all teams / improved club culture
19	Lower registration fees
20	Coaching management
21	More targeted communication for specific age groups
22	Keep uniform. Better coaching style and football techniques, strategies and training.
23	I would love to see more skill-based team forming. Also professional coaches.

48	Social function organisation improved
49	Availability of coaching
50	No
51	Presentation day was not needed the kids can be given their trophy on the gala day.
52	Value for money & club unity. There are plenty of teams which demonstrate great commitment to the club and have a great atmosphere at their games. Let's highlight them on different weeks.
53	certified refs and linesmen for every game
54	trophy day
55	Pitch allocation
56	Issue with game sceduled over long weekend in holidays. Most of the team was away including me.

60	more girls playing soccer
61	Better organisation of the club day at year end

65	Merge with other clubs in 2066 postcode to provide larger pool of players
66	Better quality training kit - our balls were poor- all needed inflating every week, some not worth using
67	Rostering consistency of home games
68	Reduced cost
69	Need coaching set up such that the kids can play in State Cup
70	a number of games were cancelled due to wet weather. Hope this can be addressed in the future.
71	Grading for more than the top team!
72	nothing in particular regarding the club, but I would like Lane Cove council to maintain the bathrooms at Blackman park. Often the restrooms are dirty, or there is no toilet paper, and some doors already have locks that no longer work. Are there facilities for the home team players to use on game day that are separate to general use?
73	More activities that involve the whole club
74	Mens All Ages don't train really late in the night
75	More games

86	More respect and recognition of female soccer groups.
87	ppromotion of adult teams with parents of younger players
88	Trophy day is chaotic!
89	the cost
90	The trophy presentation day, it was better this year but it just feels like a free for all. A stage of some description and a microphone wouldn't go amiss.

96	Keep uniform. Better coaching style and football techniques, strategies and training.
97	Better investment in the WAA program
98	Gala Day - that was a mess in terms of trophy handouts.
99	I would love to see the Div 3 and Div 4 have the opportunity of semi finals and grand finals
100	Not much yelling
101	Better training equipment and connection between the squads
102	Less focus on Development Squad more focus on Minis

Q. 16 - Do you have any additional feedback re: player development / coaching?

1	Kickstart are doing a good job in their initial years
2	2 of my children played development so very happy with the coaching. Third child played U14 and had to go to the NSFA skills training in Lindfield as was not really getting much out of team training with LCFC
3	Nil
4	Losing Luke was a blow. He was a very good coach for young boys.
5	Previous season was much better than last
6	no
7	Yes see previous comment
8	Everything is fine , but I would like to see the same coach for kids the whole year. This is really important for every kid to develop their skills. Having diferent coaches it will make the kids confused.
9	More training for parent referees. I was the only parent in my sons U8 team who was prepared to referee games.
10	Coaching skills need to be developed
11	Need more use of younger (under 18's to seniors)
12	The professional coaches eho assisted at the start of the season were great
13	Coaching style, strategies and training needs to improve.
14	As mentioned, I would love more clarity and transparency into grading / future development path etc
15	Would like the O35/45s to get specific feedback on ways to improve. Thought Gregg Dwyer did an outstanding job in running the coaching sessions
16	Fantastic to have the professional coaching involved for the early part of the season - great initiative to upskill the kids!
17	less focus on development squads
18	I thought the coach (Craig Keen) was good and provided a lot of insight into strategy
19	Maybe not enough option for the old guys (O35) development ;)
20	Coaching was very one dimensional and repetitive
21	The optional extra goalie training was really good
22	No
23	Coach was very passionate and inclusive.
24	I coached the team (U6), the kick started helped, although I felt some of the drills were too complicated for complete beginners.
25	Coaches should have the power to bench people that dont turn up to training on regular basis
26	Michael Almond is the best coach
27	Availability of a coach for senior squads
28	Player development becomes less important in the older divisions but coaching can really change the experience for a player. I think some consideration should be made as to whether all age teams have a coach as opposed to a player coach. I have no qualms with with my coach and he's a great friend but i feel it's often difficult to fill both capacities from an objective standpoint.
29	We had a great experience for the past 2 years within the Development Squad - thanks for providing this opportunity.
30	NA
31	Provisional grading in Dev Squads was good idea, coach was brilliant and very supportive, extremely pleased with EOY result. Thanks for a great season..
32	MAA1 coach was very good this year and had the appropriate level of experience, tactical knowledge and strategy for our team to compete at the highest level. He was very motivated and an improvement on previous MAA1 coaches.
33	prefer professional coaching
34	At the start of the season I was very worried for WAA1 in regards to coaching, but in the end this issue was resolved and we had a coach which suited our team a lot more. Thank you Lane Cove for listening to the players and taking our views into consideration.

35	Michael Almond is the best
36	I hope div 3 reserves don't get crushed
37	More ball time with correct size balls
38	No
39	If a development squad plays one season and the players are at the same level don't abandon that team to create a whole new team. Keep that team together swap in a few players where necessary to have players at the same level. Create new teams with new players registering (development squad pacific)
40	Great season
41	I think pairs of junior teams should pair up for training.
42	The split of players between div 4 and div 3 was not very adequate.
43	NA
44	it was great :)
45	Beginning of the season has some terrible coach issues for WAA. I had 3 different coaches and the communication was insulting. Luckily, referred from a friend, we had a wonderful coach with Michael Kennedy. WAA should get finals and should be included on LC facebook results each week.
46	No
47	no
48	Teach proper kicking techniques
49	Having professional coaches at training was great but we felt they were too thinly spread across so many teams training at the one time that it was hard to get the most benefit from their knowledge.
50	I really appreciated my son being placed in a team with his cousins as requested. The logistics of getting him to games and training was much easier because of this - thank you!
51	where coaches for lightning have 2 teams they should stay with the older team rather than the younger team, our coach was not with the boys on gala day it was very disappointing
52	My son was in the development squad blue and we were informed and the beginning of the season that the boys would rotate positions. He however was rarely rotated or if he was it was from left back to centre or right back. we understand that he is a great defender but would of been nice to play in other positions, he felt like he did not have much ball time and would like to try out for other clubs next year as a result
53	Coach to be available for each game for dev squad
54	Coaching style, strategies and training needs to improve.
55	Loved having the Little Kickers crew come in for more weeks this year. very helpful in the structure.
56	Michael Kennedy was fantastic, I think he is great for the club.
57	Better coaching retains the better players so train up more people when possible.
58	Grading for non development seems to be an afterthought

Q. 20 - Do you have any comments regarding club communication?

1	Is there a Newsletter?
2	It has improved but timeliness can still be an issue
3	It's really good
4	Use Facebook in addition to email
5	I provided feedback during the season that some email coms came out wrong to my regular PC email; possibly because they had been created on something other than a PC.
6	Need more uptodate info re weekly draws
7	The coaches and the team got to communicate about skills and what needed to improve the right way. Not the 5mins before the real game.
8	Be good to have a regular newsletter
9	It's now about 100 times better than it used to be!
10	Much improved this year
11	Thalia Child is a legend.
12	As an idea - playing for Northern Tigers / Manly United in the past there was a weekly newsletter with a brief write up on each team's performance. This could be completed by a member of each squad and compiled weekly for the facebook page / newsletter / email? Could help promote club interest / atmosphere?
13	Teamer is great
14	timetable fro matches need to be put out earlier - we need to figure out logistics when you have a few kids
15	I find the amount of club communication I receive is a good amount. I personally read the emails that I receive from the club president, and find that I am always up to date. I also would like to thank Lane Cove for using email communication, rather than sending paper variants.
16	Much better now than in previous years
17	A one-stop-shop website would be nice.
18	I paid for North Shore Lightning - mail came from LC originally was at Chatswood Rangers.
19	The coaches and the team got to communicate about skills and what needed to improve the right way. Not the 5mins before the real game.
20	Thalia Child was fantastic regarding club communication. Whilst I didn't try to communicate higher than Thalia, some of my team members did and I understand they were very disappointed.
21	Needs more

Q. 22 - Lane Cove FC 2016

- 1 not really it's good and much improved on previous years - thnx
- 2 It feels very dated not easy to use responsive design with full mobile would be good too much is passed to the managers when a lot more could be automated
- 3 Remove dependence on the NSFA website for draw and result information as its rubbish
- 4 very hard to navigate
- 5 I would like to be able to have a "dummy" intro to what options are available for training at different age groups
- 6 update on results and a bit of personality
- 7 you need a better draw update and age co-ordinators in minis
- 8 interactive calendar to show all event could be usefull
- 9 Links to GALA day rules
- 10 Never been to the website
- 11 Only use NSFA for info
- 12 Not website related but the newsletters have been good
- 13 maybe a blog to share ideas between coaches
- 14 More info on current lane cove teams and results
- 15 Addition of a search bar to the homepage. I often go to the site for specific information and navigating the page would be much easier with this sort of funcationality
- 16 make the weekly draw and results more prominent
- 17 Update better on a rainy day. Did not like higher grades forced lower grade off the pitch after rain.
- 18 Age Co-ordinators
- 19 Don't know, don't use it..
- 20 very busy - clean it up and make it simple
- 21 Add more photos of the facilities / matches in action / teams / socials etc. on the page. Photos of Blackman Park synthetic on the front page would be a selling point to many players considering joining. Perhaps some video footage of miniroos training or all age matches etc. to make the site more interactive?
- 22 cannot navigate to get to timetable / schedule
- 23 I think it has all the information I need!
- 24 Regular action photos from games. Player interviews?
- 25 Navigation and functionality - e.g. a calendar - could be improved
- 26 I didnt know we have a website. I use the WAA facebook page.
- 27 add North Shore Lightning
- 28 I don't use the site - would rather more attention being spend on the draw website.
- 29 Website is a bit dated. A more modern professional website would make a big difference

Q. 25 - Do you have any comments regarding social events run/managed by the Club in 2016?

- 1 The ball is not very popular. Take a leaf out of the rugby club and host an end of year casual social
- 2 I think the rugby afl teams do a better job need to get more involvement from the pro teams in the area with more fun things for the kids
- 3 The U8 etc Gala day was well run and efficient (not much waiting around); the jumping castles were a great idea
- 4 Everything runs smoothly.
- 5 Team trips to A-league match
- 6 I have assisted with night of nights for a number of years. Would like to explore if we could use the facilities at Blackman to have a function - get a band and make a night of it.
- 7 Get function together for entire club to show pathway
- 8 You need to stage things locally to make it easy to walk home create community atmosphere
- 9 The LCFC Presentation Day was not clearly organised. I have no idea who presented the trophies to our boys. The presentation was a bottleneck and rushed.
- 10 Things where the kids can attend
- 11 Team managers/captains/coaches need to be targeted and more involved to get their teams there
- 12 It was disappointing there was no ball
- 13 Alcohol free events would be great.
- 14 Club Day didn't appeal to kids - more formal presentation makes them feel special.
- 15 Club day should occur early in the season rather than after it has finished. Could have mixed matches (gender / age) and run a mini tournament to promote team integration across the club. Should run a ladies day event on a day that a few men's teams play at Blackman and vice versa for the women's team that could end at the diddy in a social?
- 16 Enjoyed end of season for over 45s
- 17 I was very excited to attend the ball this year, and was disappointed that due to some of the parents of younger players, the location was changed to better suit their needs. For some reason not enough tickets sold, and it may be that none of the parents actually bought tickets, and unfortunately the event was cancelled. I believe if parents would like to have an event, something could be organised for them separately.
- 18 You're killin it- sorry people arent dedicated
- 19 Presentation night is amazing
- 20 Preso night was really nice. Ball being cancelled was sad but i think the price made it impossible for many people in our team to join.
- 21 Presentation day very disorganised and a bit of a let down for the kids who were expecting a proper presentation with announcement / names / clapping etc
- 22 The end of season event is a fizzer. Clubs like Chatswood have a Blg Day Out which is much better
- 23 Make them free to attend with own purchases of drinks, maybe organise a bbq.
- 24 Thalia did a wonderful job and organising WAA events. Our team in div 3 hardly knew each other and she helped to organise outings quite quickly, and also amongst all womens divisions.
- 25 good
- 26 Better organised trophy presentations
- 27 The 035/45s evening was excellent
- 28 Gala Day was disappointing first time for us with this club
- 29 The Gala Day was a bit of a shambles to be honest in terms of the setup for trophy handouts. Very inefficient compared to LCJAFL and LCJRU.
- 30 The end of season preso was great.
- 31 Need to utilise the facilities at Blackman park every match day

Q. 28 - Do you have any other comments regarding the 2016 season with Lane Cove Football Club?

1	Enjoyable and improvement noted under Nikita's coaching but the kids need to go to a further level next year to really see benefits accruing
2	Gals day was a big disappointment with only two short games kit return day is a waste of time move kit return to the plaza rather than Blackman and hVe something to attract the folk for next year
3	Lightning hit the spot - perfect balance
4	It was a fun season
5	Parking at Blackman park is a disaster
6	It's a great club! By the way I think some people may get confused answering the survey on mobile or feels like putting one gives the tiop rating as it's higher on the page.
7	Just the coach doesn't know how to deal with players and train then the right way.
8	Think the grading for 45s will have to be looked at. With only one win between the squad the grading was clearly not appropriate.
9	Great GROUNDS!
10	You need to use the Blackman facilities like the canteen to raise funds for the Club and create an atmosphere each game day
11	For the price of registration we should at least get kit
12	Appears to be much better organised this year. the NSFA Gala Day was also very good.
13	What a club!
14	Steve Prescott is particularly passionate and inclusive.
15	Committee needs better support
16	Best season so far, Kenny was an amazing coach for Lane Cove Thunder
17	Thankyou very much to all of those involved and running the Club. Unfortunately due to a high level of volunteer commitment I have else where I cannot help, but in coming years would certainly consider helping out.
18	Fees are too high, dont like lower grades pushed off the pitch if it rains so higher grades can play. Div 5 had a terrible team organiser.
19	too much focus on development squads
20	Loved playing on lots of astro-turf
21	Great to be playing again after decades
22	Thanks to the Committee for all they do. It is appreciated .
23	coaches to be encouraged to have a debrief session after each game;
24	I had a wonderful time this season, as always. In regards to NSFA, I was dissapointed that the WAA1 season was a bit disjointed due to NSFA Cup games being scheduled and taken in higher regard to our season games. This meant we paid a lot of money to play a lot of friendly games as well. I am proud of the club I play for, and will always recommend Lane Cove to my friends when they ask about starting to play football again. I would also like to thank Thalia Child, our womens coordinator, for in her first year as coordinator has already made so many changes. Together with the club, she will bring womens football to a higher standard at LC and I am looking forward to playing in the years to come!
25	Worth driving from Terrey Hills to play for them
26	Too few games
27	Thanks to Steve, Hamish, the admin staff, and everyone else who did so much again this year. It is much appreciated.
28	Too many development teams
29	Women had 3 divisions in all age- that should be celebrated and included in fb results as on emails (not just div 1). Fight more for womens finals and field time for training.
30	Every other sport my sons play we get free kit eg cricket, rugby and basketball. Soccer we have to buy the socks and shorts.
31	It was great, thank you for all your hard work!
32	Great year, thanks LCFC HQ
33	need to recognize North Shore Lightning as we paid a lot of money to join

34	I would like to see more efforts for a junior Girls Comp. My daughter played G9 and had a great time. Other organizations like Linfield etc... fielded multiple teams in our comp; I don't know if it has to do with promoting the comp, but I think more could be done to engage girls to join in.
35	It was fun.
