

NSFA CLUB CIRCULAR # 33 -16

ALL CLUB SECRETARIES

Dated 30th September, 2016

APPOINTMENT OF CHIEF EXECUTIVE OFFICER.

Members,

On 2 July this year Howard Mann unfortunately tendered his resignation to the NSFA Board as a result of ongoing ill health. Due to the ongoing growth and development of the Association this prompted the Board to begin the process to recruit a new Chief Executive Officer, while at the same time ensuring its operations were run effectively in the interim.

The role attracted substantial interest and high caliber talent. A number of the applicants were overseas-based and/or have professional sporting administration experience.

The Board is delighted to announce that, after a long and rigorous recruitment process, it has appointed Malcolm Waldock to the CEO role. Malcolm has proven to be the standout candidate. Malcolm joins the NSFA with a distinguished career as a human resources and leadership executive, and with all the skills, experience and personal attributes to successfully lead our Association.

Malcolm is already well-known in the Association for his drive, passion for football and progressive thinking and we felt he would be the ideal person to take the Association forward strategically.

As many of you know the Board has promoted a culture of openness and transparency and Malcolm's leadership style fits in well with that approach. Malcolm is ideally suited to lead the Association with his deep knowledge of and experience of its activities, his demonstrable leadership qualities and a strong focus on delivering for members. The Board have enjoyed getting to know Malcolm during the recruitment process and is very much looking forward to working with him, as I am sure you will as well. We know that Malcolm is very excited about joining the NSFA as the new CEO and is absolutely committed to working with you all to progress the next phase of our strategy.

Malcolm will start at the NSFA on 24 October 2016.

The Board wishes to express its thanks to the NSFA staff of Marcia, Damian, Rani, Paul, Joanna, Alan and Jason who kept things running so smoothly and effectively during this challenging period.

Regards,

The Board
